## APPAREL OPTIONS

Throughout the year Brighton offers apparel designed for our school and will meet uniform standards. These pieces are available for purchase. Other resources for plain uniform pieces are Old Navy, Gap, Lands' End, and Target. Lands' End offers custom embroidery of the Brighton logo. Just use our school code, **900146531**, upon ordering.

## DRESS CODE VIOLATIONS

Failure to adhere to the dress code will result in a Formal Note of Reminder. Upon the 3rd issue of failure to comply with the dress code, the Formal Note will be sent home. After the 3rd notice will be made to bring the appropriate clothes. If this is not possible a \$5.00 charge will be assessed to the account.

## FRIDAY FREE DRESS

On Fridays, students may dress "out of uniform" but must abide by the following guidelines: all students are to be dressed appropriately for school and for the weather. In addition, we expect that their personal hygiene and grooming are addressed daily before school. All clothing should be comfortable, washable, sturdy, safe and easily managed by your child when using the bathroom. Skirts, dresses and shorts must be no shorter five inches above the knee. Shirts must cover their midriff; no spaghetti straps or strapless tops, please. Rubber soled shoes or sandals with heel straps are required every day. All clothing should be in good condition, free of stains, fading, patches, holes or fringes. Please avoid logos or graphics as well, except for Brighton graphics. Accidents happen, students spill liquids, fall into puddles, etc. A seasonal appropriate change of clothes, including socks and shoes, is therefore a must for every student and should be kept in their backpack. **All clothing items must be labeled with your child's first and last names.**
